

**American Standard Company
Manufacturer Of The Original Florian® Ratchet Cut Pruning Tools**

157 Water Street * Southington, CT 06489 * 1-800-275-3618 www.florianratchetcut.com

CONGRATULATIONS ON THE PURCHASE OF YOUR FLORIAN® 101T612S POLE PRUNER

If this is your first time using our Ratchet-Cut® pole pruner, here's how it works:

- Extend the snap lock telescoping pole to the desired height and twist the collar lock at the top of the outer pole.
- Place the jaw of the pole pruner on the branch to be cut with the blade on the top of the branch.
- Pull the rope to close the pruner enough to set the ratchet (you will feel and hear the "click" as the ratchet falls into the right place). This will require very little effort.
- Release the pull until the toggle advances into the next tooth ("click") of the ratchet action.
- Repeat this motion until the cut is finished.

CARE AND MAINTENANCE

Your Florian® Ratchet-Cut® pole pruner may be sharpened by using any diamond sharpener or carborundum stone. Polish the bevel of the blade on both sides just as you would your fine kitchen knives. We also provide a sharpening service for all of our larger tools at our factory. Apply any good household oil to the springs as needed.

- PLEASE Never cut wire or metal.
- PLEASE Do not allow the tool to fall to the ground after using as a fall from those heights could damage the tool.

IMPORTANT INFORMATION

The blades are austempered high carbon steel with Teflon coating. The tool is 17" long and weighs 3 1/2 pounds. The cutting capacity is 1 3/8" in diameter. The extendable pole can reach up to 13 feet.

LIFETIME WARRANTY

The 101 Mini Pole Pruner System has a Lifetime Warranty against defects in materials and workmanship. Failure due to misuse or normal wear and tear is not covered under the lifetime warranty. Tools not covered under the lifetime warranty can be repaired at the factory for a maximum charge of \$35.00 or traded in for 50% off the current catalog retail price of a new tool. All warranty claims will be evaluated and repaired or replaced at the discretion of Florian tools.

***Prices are subject to change**
