

**American Standard Company
Manufacturer Of The Original Florian® Ratchet Cut Pruning Tools**

157 Water Street * Southington, CT 06489 * 1-800-275-3618 * www.florianratchetcut.com

*CONGRATULATIONS ON THE PURCHASE OF YOUR FLORIAN® HS-K900Z
Florian® Extendable Handle Hedge Shears*

If this is your first time using the Extendable Handle Hedge Shears, here's how it works:

- Place the branch well into the Blades of the Hedge Shear (not just at the tip of the blades).
- Squeeze the handles with medium pressure. If you need to reach a higher branch you can push the two buttons in on the handles and pull the handle down until you hear a click.
- Continue using the same opening and closing motion as when using a pair of scissors.

CARE AND MAINTENANCE

Your Florian® Extendable Handle Hedge Shears may be sharpened by using any diamond sharpener or carborundum stone. Polish the bevel of the blade on both sides just as you would your fine kitchen knives.

- PLEASE Never cut wire or metal as it will damage the blades.
- PLEASE REMEMBER: This tool is only used for shaping hedges. NEVER try to force the tool to cut, if force is needed chances are the branch is too big and could possibly snap the blade. Our warranty does not cover this type of abuse.

LIFETIME WARRANTY

The HS-K900Z has a Lifetime Warranty against defects in materials and workmanship. Failure due to misuse or normal wear and tear is not covered under the lifetime warranty. Tools not covered under the lifetime warranty can be traded in for 50% off the current catalog retail price of a new tool. All warranty claims will be evaluated and repaired or replaced at the discretion of Florian tools.

***Prices are subject to change**
